OUR POTENTATE
CAPTAIN L. L. ECKMAN

SAITH THE POTENTATE

My Dear Nobles:

I can say no words to the Nobles of Kem Temple on matters of Shrine business, until I have in some manner expressed my appreciation for the honor which they have given in electing me Potentate while I was far removed on the Mexican Border with the First North Dakota Infantry.

I counted it one of the most pleasing days of my life when I received the telegram announcing my election and to one so far away, and among strangers in a strange land it came as a token that I was still in the thoughts of my fellow Nobles of the far North.

Our Country is now face to face with what may develop into her greatest Crisis, and if she has never been called upon to receive her "baptism of fire" it would appear as though she were about to receive her call. Be that as it may, whatever comes to pass in the troublesome days that may be ahead, the Order of the Mystic Shrine stands ready and impatient to do its full duty to the Country, as our Sister Temples in Canada have so magnificently done already and are doing at the present time.

No man can give his best if he be always at a tension and so for this reason we feel that we will be doing a good work by holding the regular spring Ceremonial on the evening of Friday, June 1st, 1917. It will furnish a happy relaxation in these troublesome times, and better fit us to give America our best when she needs it.

Those Nobles who have been responsible for the finest Ceremonials that have graced

the halls of Kem Temple are working for your entertainment. The Patrol and Band have their very hearts in the work and this should be the acme of our efforts toward a Ceremonial worthy of our Temple.

At this time, I would urge upon you to be present and use your every effort to get together a sufficient class of Novices to make this the real success.

We have a class waiting, but need many more to make the Ceremonial one to be remembered.

Paint the Date, June first, on your calendar with red paint that it will not slip from your memory, and when it rolls around get out your Fez and be a part and parcel to the success.

Sincerely yours in the Faith,

L. L. Eckman

Potentate

A WORD FROM THE RECORDER

While we are not given to warlike actions, yet the Nobles of the Mystic Shrine have at all times demonstrated their loyalty and patriotism, and not only their willingness but eagerness to battle for the right.

The records of our Sister temples in Canada disclose sacrifices and acts of patriotism and heroism on the part of their members well worthy to be perpetuated in poetry and song. We of Kem have many members who have won distinction in active service for their country—some in the Philippines—some on the Mexican border—some at both points.

Our Potentate Captain L. L. Eckman was elected while in active service on the Mexican border. He now awaits the call of his country to take his place in the great struggle for the principle of Individual Liberty and Democratic Government.

We hope that he will not be called before June 1; we are assuming that he will not.

I am writing this to urge every Noble to be present on June 1 (probably the only ceremonial at which Potentate Eckman will preside during his term) and show the esteem in which the members of Kem hold for our soldier brothers.

Let us make of this Ceremonial a grand demonstration in honor of our Captain Potentate and all other soldier members.

The Recorder will be in his office in Masonic Temple Thursday evening and all day Friday, June 1st.

Nobles must secure their cards before the Ceremonial if they wish to gain admission. Five dollars (\$5.00) is the price of the modest creation for 1917, which is the only passport that admits you to the festivities.

Remember your Fez. You always feel more comfortable and enjoy Ceremonial better if you are not wearing some other fellow's.

When you change your address, notify the Recorder. Most of the communications of Kem are mailed as third class matter, which will not reach you if your address is not correct.

Candidates must report at the Recorder's office prior to 3:00 P. M. on day of Ceremonial to sign the by-laws, settle fees and dues.

Yours in the faith,

C. H. Barnes

FLAG OF MINE

BY A. F. MADISON

Tune: "Maryland, My Maryland"

From North to South, from East to West,
Flag of mine, O! flag of mine!
Float over every fortress crest,
Flag of mine, O! flag of mine!
Float over land, float over sea,
For justice and humanity,
Avenge a tyrant's perfidy,
Flag of mine, O! flag of mine!

A weeping world lies at thy feet,
Flag of mine, O! flag of mine!
A tyrant hand upon thy fleet,
Flag of mine, O! flag of mine!
Go forth and lead in battle's roar,
As thou hast often led before,
And keep the tyrant from thy shore,
Flag of mine, O! flag of mine!

What else betide, the die is cast;
Flag of mine, O! flag of mine!
We're not too proud to fight at last,
Flag of mine, O! flag of mine!
And we shall fight on land and sea,
Thy righteous fight for liberty,
Till thou hast made all nations free,
Flag of mine, O! flag of mine!
